### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Klein on 9/27/2005.

The application has been amended as follows:

Claim 17 has been cancelled.

In claim 13, line 9, the following has been inserted after "first surface":

**, and wherein said explosive element comprises an elongate detonating cord operatively connected to a sleeve housing, which is connected to a detonator housing in which another explosive element is disposed**

### REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: Regarding independent claim 3, the known prior art does not disclose or fairly teach the breaching apparatus substantially as claimed and including the housing of the breaching apparatus containing an explosive element, the housing comprising internal partitions spaced from one another, the explosive element comprising a layer of a flexible

explosive element disposed between said partitions and wrapped around at least one of said partitions. Regarding independent claim 13, the known prior art does not disclose or fairly teach the breaching apparatus substantially as claimed and including the explosive element comprising an elongate detonating cord operatively connected to a sleeve housing, which is connected to a detonator housing in which another explosive element is disposed. Regarding independent claim 14, the known prior art does not disclose or fairly teach the breaching apparatus substantially as claimed and including an additional explosive device disposed in a tray attached to the housing of the breaching apparatus.

3. This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to James S. Bergin whose telephone number is 571-272-6872. The examiner can normally be reached on Monday - Wednesday and Friday, 8.30 - 5.30.
